Center-Right Coalition Leaders Across the Nation: Heroes to All Taxpayers

-- Leaders of Center-Right Coalition Meetings Instrumental in Fight Against Higher Taxes --

WASHINGTON, D.C. – Americans for Tax Reform, the nation’s leading taxpayer advocacy group, names their state center-right coalition leaders, who host regular meetings in 46 states and the District of Columbia, “Heroes of the Taxpayers”. These 54 leaders have consistently worked to keep legislators in line and to prevent raids on taxpayers’ wallets.

“These more than fifty men and women deserve credit for their dedication to taxpayers’ interests.” said Grover Norquist, President for Tax Reform in Washington, DC. **“Not only do they hold coalition meetings during which like-minded people share their concerns and success stories with each other, they also raise their voice when lawmakers seek to raise taxes on their constituents. In Kansas, Oregon, Florida, Minnesota, California, and in other states, their leadership has helped avoid or defeat unnecessary tax hikes.”**
