

Transparency in Government Spending Legislation and Executive Orders 2007/2008

Note: this report only contains information on states that have either passed legislation or enacted executive orders to create comprehensive online databases for government expenditures.

Several other states make partial information on grants, contracts, or state employee salaries available online.

For more information refer to ATR's memo "State, Federal, and Local Efforts to Increase Transparency in Government Spending", available at www.atr.org.

For additional information, please contact Sandra Fabry, state government affairs manager, at sfabry@atr.org.
