### In case you missed it:

From the Wall Street Journal's [www.opinionjournal.com](http://www.opinionjournal.com), Thursday April 3:

#### [Runway Victory](#)

**The allied assault on Baghdad's main airport, known as Saddam International, is under way, the Associated Press reports. Let's hope they get [Grover Norquist](#) in there quickly to rename the place.**

The RRLP is committed to preserving the legacy of one of America's greatest presidents. Among its aims, the Project seeks to name at least one monument to President Reagan in each of America's counties, and in nations that were once Communist. Grover Norquist, the RRLP President is a long time Washington insider. He is available for interviews about Ronald Reagan's legacy and the goals of the project.
