

AMERICANS *for* TAX REFORM

Grover G. Norquist
President

If You Intend to Vote for H.R.1, Will You At Least Promise To Your Constituents That You Will Read It Before The Vote?

Today, you will be asked to vote on the conference report for the massive spending package promoted under the guise of “economic stimulus.”

There are many reasons to vote against this package, including the size of the spending portion and the haste and lack of transparency with which it moved through Congress. Consequently, ATR urges you to vote “NO” on the conference report.

If, however, you intend to vote FOR this monstrosity, Americans for Tax Reform asks that you at least certify to your constituents who will have to bear the burden of this package that you will have read the full text of the package by the time you cast the vote.

If you plan to vote “YES” on the conference report, please sign the form below and fax or email it back to ATR at (202) 330-5224 or sfabry@atr.org BY 3PM today, so that we can share your response with your constituents.

I, _____, commit to the taxpayers of the (_____ district of the) State of _____, that my vote in favor of the conference report on H.R. 1 will be an informed vote, because I will have read the full text of the bill and the conference report by the time I cast my vote.
